Bigfoot in our Backyard

With Bigfoot Researcher

Gayle Beatty

Bigfoot Researchers of the Hudson Valley

Friday, October 2, 2015 at 7:00 pm

Some believe that Bigfoot is nothing more than a myth – an urban (or forest) legend. Others believe that there just might just be something to all of those sightings and footprints and Native American lore, but such a creature could only possibly survive and remain hidden in the remote and heavily forested Pacific Northwest. Still others believe he is here. Those who have seen him - know he is!

Join *Putnam After Dark* and Hudson Valley Bigfoot Researcher Gayle Beatty to learn more about the possibilities that this unique species could be living so close to us.

Requested Admission Contribution just \$10
(if you can, it helps us to keep the lights on at the Grange)

Programs are held at *The Putnam Valley Grange Hall*
128 Mill Street (at Peekskill Hollow Rd.) ♦ Putnam Valley, NY 10579 at 7:00 pm
