Space is Limited!

- Steer and navigate the 106 ft. sloop using our 11 ft. tiller
- Raise Clearwater's 3,000 lb. mainsail
- Explore the amazing diversity of Hudson River fish and invertebrate life
- Gain insights into Hudson River history and ecology
- Learn the stories behind historically significant landmarks on shore
- Have a chance to test for signs of pollution
- Sing traditional sea chanteys and river songs with the crew
- Learn about current environmental issues impacting the Hudson Valley
- Go below decks and see what life is like on a traditional tall ship
- Be part of an enduring legacy started by Pete Seeger in 1969
- Have a great time on the river with our captain and crew
