## What's in a (Hebrew) Name?

Learn about Hebrew names – and choose  
one for yourself

Thursday, May 28, 2015 from 7 to 8:30 pm

Led by **Rabbi Laurie Levy**, *What's in a (Hebrew) Name?* is for anyone interested in learning about Hebrew names and especially for those who would like to select a Hebrew name for themselves or a family member. Participants will be encouraged to research the name, choosing from a variety of tools that will be presented – from the mystical to the modern – and will have the opportunity to have their **Hebrew name conferred** at a special ceremony at Shabbat services on **Friday, June 12**. If you already have a Hebrew name but are curious to understand more about its meaning, you are also welcome to join us.

**The class and service are free of charge and open to the public**
