

## living with alzheimer's

### for early-stage caregivers

#### an early stage education program by the alzheimer's association

In the early stage of Alzheimer's disease, families face new questions as they adjust. What does the diagnosis mean? What kinds of plans need to be made? What resources are available to help? Join us for this 3-part series to hear practical answers to the questions that arise in the early stage. Hear from those directly affected and learn what you can do to cope with the changes that come with an early-stage diagnosis.

Join us from 6-8 p.m. Tuesdays Oct. 3 and 10

Hosted by Putnam Valley Free Library

30 Oscawana Lake Road, Putnam Valley

To RSVP, call the Alzheimer's Association at 800.272.3900.

This program is supported in part by a grant from the New York State Department of Health.
