

CPR & AED TRAINING

ASHI *CPR and AED* is designed specifically for individuals, and is an excellent choice for both the community and workplace setting. This extremely flexible program will help prepare individuals to respond to a cardiac arrest and choking.

Please join us:

CPR & AED

Cardio Pulmonary Resuscitation and Automated External Defibrillator

Putnam Valley Library

30 Oscawana Lake Rd. • Putnam Valley, NY 10579

Sunday, October 22, 2017
